

Midway Sewer District – Maintenance Electrician

- **Position: Maintenance Electrician**
- **\$43.01 to \$56.60 per hour**

Reports to: Operations Supervisor

The Midway Sewer District is currently seeking a Maintenance Electrician with strong electrical and mechanical skills to fill the open position. This person will perform tasks including corrective and preventative maintenance at the wastewater treatment plant, lift stations and main office.

As a Midway employee, you will be part of a team that cares deeply about the environment and its responsibility as a steward to our waterways. The Midway Sewer District is dedicated to provide quality customer service and protect public health with cost effective, reliable, environmentally responsible wastewater collection and treatment.

The successful candidate should have a high school diploma or equivalent. An Associates Arts Degree or applicable vocational training certificate in Industrial electrical practices, or a mechanical program is preferred. Must have a valid Washington State driver's license. Work history as a Washington State Journeyman Electrician level 1 is preferred but not essential for consideration for this position.

- Must complete confined space training within one (1) year of employment. Must be physically able to do the work required.

Please refer to the job description (see website) for the appropriate education/job experience/requirements.

BENEFITS:

- State of Washington Department of Retirement Systems PERS Plans
- State of Washington Health Care Authority's Medical, Dental, Vision benefit programs
- Life Insurance • HRA VEBA
- 12 Paid Holidays
- Paid time for vacation and sick leave
- Educational financial assistance
- Personal Protective Equipment

Please visit our website at www.midwaysewer.org for the position descriptions and application.

Midway Sewer District is an Equal Opportunity Employer. Individuals interested in applying for this position must submit a completed Cover Letter, Resume, and District Application to marc@midwaysewer.org . Incomplete application materials will not be accepted.
