

## REQUEST TO BILL SEWER SERVICE CHARGES TO RENTERS

This form allows Midway Sewer District to send the bill directly to the renter for sewer service to the property. The owner will receive copies of any past due statements. Payment of sewer service charges is the ultimate responsibility of the property owner. If a lien is filed due to non-payment of sewer charges, the renter will be permanently removed from the account. Please contact the District when there is a change in renters.

Service Address \_\_\_\_\_  
Account # \_\_\_\_\_  
Date Effective \_\_\_\_\_

\*\* All charges prior to "Date Effective" date above must be paid before renter is added to account \*\*
