Section 2. Historical costs shall be used to determine appropriate LFCs for hook-ups during 2024 to existing sewer lines of the District. In addition, interest shall be charged on the historical costs from January 1<sup>st</sup> of the year immediately following installation until the earlier of ten years from said installation or January 1<sup>st</sup> of the year of the hook-up. The interest rate shall be six percent per annum through December 31, 1969, seven percent per annum from January 1, 1970 through December 31, 1979, ten percent per annum from January 1, 1980 through December 31, 1980, twelve percent per annum from January 1, 1981 through December 31, 1986, ten percent per annum from January 1, 1987 through December 31, 1990, nine percent per annum during 1991, eight percent per annum from January 1, 1992 through December 31, 2009, and seven percent per annum thereafter.

Section 3. One unit of the RCE for the GFC is set at \$5,000.00 for all sewer connections during 2024, based on an average of 750 cubic feet of water usage per month. One RCE shall be the GFC for a single family residence. Multiple residential units shall have a GFC of \$4000.00 times the number of residential units. Non-residential properties, including all commercial and industrial properties, shall have a GFC based on the number of points for the

improvements on, or to be constructed on, the property. Twenty points shall equal one RCE, which shall be the minimum GFC, and \$250.00 shall be added to the GFC for each point in excess of twenty points. The points for determining the GFC shall remain as set forth in Section 3 of Resolution 1995-25 and Section 5.12.050 of the Midway Sewer District Code.

Section 4. The LFC for new sewer connections during 2024 is set at the rate of \$165.00 per front foot, using the zone and termini assessment method, to a 150 foot depth, plus \$2,500 per stub.

Section 5. SPFC charges for areas designated by the Board shall be established pursuant to Section 5.12.075 and .076 of the Midway Sewer District Code and are not directly modified by this Resolution. The SPFC charges related to the Pacific Ridge area have been suspended indefinitely pursuant to a Board approved motion of September 13, 2017.

Section 6. The abbreviations GFC, LFC and RCE in this resolution are as defined in Section 1 of Resolution 1994-11 and Section 5.12.010 of the Midway Sewer District Code.

Section 7. Section 1 replaces Section 1 of Resolution 2016-12 and Section 5.16.010 of the Midway Sewer District Code. Section 2 replaces Section 2 of Resolution 2016-12 and Section 5.16.020 of the Midway Sewer District Code. Section 3 supplements Sections 3 of Resolution 2016-12 and Sections 5.12.050 and 5.12.060 of the Midway Sewer District Code. Section 4 replaces Section 4 of Resolution 2016-12 and Section 5.12.060 of the Midway Sewer District Code.

ADOPTED by the Board of Commissioners of Midway Sewer District at a regular meeting thereof held this 27th day of December 2023.
