

What you will need to obtain a side sewer permit for connection to the public sewer system

The image shows a permit form from the Midway Sewer District. The title is "MIDWAY SEWER DISTRICT RECONNECT SIDE SEWER CONSTRUCTION PERMIT". The form includes fields for "PROPERTY OWNER", "PROPERTY ADDRESS", "CONTRACTOR", and "DATE". It also has sections for "Sewer permit fee", "Right of Way permit needed?", "Other fees/charges", "TOTAL AMOUNT DUE FOR THIS PERMIT", "KING COUNTY TAX PARCEL NUMBER", "PROPOSED USE OF PROPERTY", "BASEMENT YES/NO", "LEGAL DESCRIPTION", "Permit issued by", "Date installation was complete", and "Date & sign of this permit". A large red circular logo for the Midway Sewer District is overlaid on the form. At the bottom, there are fields for "Property Owner Signature", "Printed name of Owner's Representative", and "Date".

1. Contact the Side Sewer Department to verify if public sewer is available and if any connection charges in lieu of assessments need to be paid prior to a permit being issued.

Midway Sewer Office (206) 824-4960

2. You will need a site plan depicting an accurate drawing of the house or building to be connected to the sanitary sewer.

3. The address, legal description and tax parcel number of the property to be connected.
